AutoCAD - Quick Printing

• Printing the Model

Basic Settings

- Select the printer Name:
 - Use the appropriate printer
- Paper Size Select something like
 - A (8.5 in x 11 in)
 - A4 (210mm x 297mm)
- Extents |Fit to paper
- Center the Plot
 - Note: this will print all of your drawing (current settings) and make it as big as possible on the paper.
