

**CE104 CIVIL ENGINEERING PROJECTS
FALL 2008**

September 24, 2008

Homework Assignment # 4

Due October 1, 2008 by 5 pm
Submission by WebCT required

Write a report on today's presentation. Include in the report who was presenting, what the topic of the presentation was, what was interesting and/or informative about the talk, and how your views on the topic have either changed or been reinforced by the talk.
