

**CE104 CIVIL ENGINEERING PROJECTS
FALL 2008**

October 29, 2008

Homework Assignment # 8

Due November 12, 2008 by 5 pm
Submission by WebCT required

Write a report on today's presentation. Include in the report who was presenting, what the topic of the presentation was, what was interesting and/or informative about the talk. What obstacles and/or opportunities did Mr. Dunn face that had an impact on his career? What can you learn from his experience that may help you with your career decisions?
