RE: Required Field Trip

As the professor in charge for CE104 - Civil Engineering Projects this semester, I would like to request permission for the following students to have an excused absence from other classes that may be in conflict. These students will be required to attend a field trip to EFCO Forms on Wednesday, October 22, 2008 from 2 pm to 5:00 p.m. Please allow this student to be excused from your class and provide an opportunity to make up their work for that particular day.

Thank you for your cooperation and please do not hesitate to contact me (tge@iastate.edu or 515-294-8922) if you have any questions or need additional information.
