

**Field Trip**  
**Boone County Landfill** 1268 224<sup>th</sup> Ln, Boone, IA 50036

Meet at the Landfill (see map below) at half past the hour of the scheduled lab time. For the field trip report write a one page description on the operation of the facility. Include in your discussion what specific measures are taken at the facility to protect the community and the environment. Use the guidelines for a technical report in the CCE Communication Guide (see page 66-67 of pdf file: <http://www.cce.iastate.edu/students/studentguide/CCEGuide.pdf>).

Directions to Boone County Landfill: Take Route 30 West to Boone. Go straight on 30 through 4-way stop in Boone. Follow Route 30 another 1.7 miles and turn left at sign to Landfill. Follow paved road 0.3 miles and turn right. Landfill will be on the left. If you cross the Des Moines river, you've gone too far.

**Alternative Assignment.**

Write an in-depth essay (2-3 page) on a current environmental topic. Pick a feature article from a recent newspaper, web page, trade magazine, or research journal.
